Audio Based Sensi.Ai

**WellAware
Care Portal**

- Hardware Integration
- Hardware Agnostic
- Ambient Technology Focused

The diagram shows a central 'WellAware Care' logo with 'Powered by Bridgera' below it. This central element is surrounded by a circular arrangement of eight icons representing different healthcare services: a hospital, a person with a heart, a person with a brain, a person with a tooth, a person with a leg, a person with a hand, a person with a head, and a person with a heart.
